Kalinga Institute of Industrial Technology (KIIT) Deemed to be University, Bhubaneswar, Odisha, India

KIIT UNIVERSITY INDIA SCHOLARSHIP (KUISP) 2024 For International Students

KIIT University one of the top private university ranked 1st in India by Ministry of Education, Govt. of India and ranked in the cohort of 601-800 in the Times Higher Education 'World University Ranking 2024'. Its Computer Science Engineering ranks in the cohort of 301-400 and its overall Engineering ranking is 401-500 in the world. KIIT university also ranked 16th in National Institutional Ranking Framework (NIRF) by Govt. of India among Indian universities. KIIT offers professional education to around 40,000 students from across India in 100+ academic programs in undergraduate, postgraduate and doctorate programs. The student strength also comprises over 2000 international students from 65 countries. KIIT being a 25 years old university is open for partnering with top universities across the globe.

The International office facilitates students for study abroad opportunities in USA, UK, Japan, South Korea and Europe.

As an organisation, we are guided by the compassion and foresight of our Founder, Dr. Achyuta Samanta – a visionary philanthropist and educationist, who established KISS along with our sister concern, the Kalinga Institute of Industrial Technology (KIIT) in the early 1990s. Dr. Achyuta Samanta, the founder of KIIT and KISS, realized the difficulty faced by tribal communities and attempted to empower them by founding KISS, in 1992-93. The institute, which started with only 125 tribal students in a rented house, has spiraled into the world's largest and only institute providing free education from Kindergarten to Post-Graduation and Doctoral Programmes with vocational and extracurricular training, free lodging and boarding, state-of-the-art facilities and indigenously controlled pedagogies exclusively to more than 80,000 indigenous students. The foundations of KISS are based on Dr. Samanta's dream of providing free and accessible holistic education to indigenous students across the country.

KIIT Deemed University announces **KIIT University India Scholarship Program (KUISP)** applicable to Foreign National Applicants (except SAARC Citizens) to pursue professional education in India and KIIT-DU.
